

net-factory.biz

Uploading files to your website (FTP)

To upload your website to our servers you will need the following information:

Your Username

Your password

[If you do not have these or have forgotten your password, please contact us.]

Your FTP address will be:

ftp.yourdomain.co.uk

For example Net-factory will be: ftp.net-factory.biz

! Do not type in www.yourdomain.co.uk !

You will require an FTP program to upload your pages such as WSFTP or Cute FTP.
